This is a list of United States-based companies since 2001 who have exported on a commercial basis products from the United States to the Republic of Cuba. Products have included agricultural commodities, food products, healthcare products, equipment, machinery, and automobiles. Some companies have exported once, some more than once.

NOTE: If there are companies not included in this list, please contact council@cubatrade.org with the name of the company and the product(s) that was exported. Not donated product.
